

Dr. Charles W. Missler W6OHD - A Southern Calif product, a ham operator at age 9 and piloting airplanes as a teen. From Koinonia Ministries - Missler is an author, Evangelical Christian, Bible Teacher, Engineer, Former businessman. To break this extensive career down, a U.S. Navy Academy Graduate taking his commission in the USAF; Former Branch Chief of the Dept of Guided Missiles and a 30 year executive career. Chuck balanced all of those extensive commitments with weekly bible teaching sessions at 30,000 member Calvary Chapel, Costa Mesa, Ca.

I've been amused with many UFO incidents over the past 60 years and at times perplexed but wondered what the Christian thinking is on UFO's and UWOs. Chuck has some down to earth biblical based answers, a bit astute but follow-able. Don't be mistaken by "Chariots of the Frauds" and the coming cosmic deception. Take heed that no man deceive you! Matthew 24:4

I recall Missler's work with Bible Teacher author, Hal Lindsey telecasts. Chuck co-hosted a UFO conference in all places (Roswell NM) home of the first big blow up in the media.. Audio of the conference is available on the internet.

Mr. Missler's education; PHD Louisiana Baptist University - Honor graduate U.S. Naval Academy - U of California at LA - Masters Engineering (UCLA) - Material from Koinonia House and One Place Association. - QSL card from K8CX collection. Latest book; Myths of Eschatology. Our subject resides in Coeur D Alene. W8SU 2014 added 2016
