

**K3ARL/WA3FET Portable 40m Operation in Fulton County, PA to contact I2VRN for one of his last two counties in PA, the other being Cameron County that we did for him last week.**

**Jim Breakall WA3FET**

**Karl Hosterman K3ARL**

**Using the Box Shack on the back of Karl's truck.**

**Icom 7300 and Ten Tec Hercules II 500 watt amp**

**Inverted-V Dipole up 25 feet**

**We made contact with Roberto, I2VRN, at 2154 UTC and then Angel, WP3R, and Charley, K1GZL, at 2230 UTC and Roberto gave us S9 after the signal came up. Roberto was having some noise too. Charley gave us 35 dB over S9.**

**Roberto was 10 to 20 dB over S9.**

**We were there early about 2030 UTC and we also worked V51WJ in Namibia at 2114 UTC and he gave us 55 and he was 57.**

**May 9, 2019**
